

2002 NCABA Championship Tournament

"Odd Balls I" take team title

Jim Colley a double singles winner; Bobby Hall II captures scratch all events for second time

By Ray Brothers, Tournament Director

The Nation's Capital Area Bowling Association recently declared the winners of its 57th annual Championship Tournament held in April at Bowl America Burke (team event) and Bowl America Falls Church (singles and doubles events).

This year's handicap team champion was "Odd Balls I," a fivesome from Sterling, Bruce Chrisner (654 series), Lisa Allison (559), Gregory Allison (362), Robert Corkhill (679), and Benny Myers (663) tallied 3,597 and shared \$3,400 for their efforts.

The scratch division winner was the "Bowie (Md.) Bowlers," which consisted of Michael Hayes Sr. (666), Robert Farrar (641), Sam Bridges (685), Leroy Hosgood (624), and Kenneth Scott (652). They split \$700 after recording 3,268.

Ronald Collins (793) and James King (633) of Temple Hills totaled 1,598 to win the handicap doubles and \$2,000. They also won the scratch division with 1,426 to earn an additional \$450.

Jim Colley (791) of Alexandria had the top handicap singles score of 861 and received \$1,200. He also won the scratch division, which was worth \$325.

Leon Scales of Woodbridge received \$750 for winning the handicap all events with a total of 2,411.

Landover's Bobby Hall II won the scratch all events with a record score of 2,283 (679-826-778). He was awarded \$1,200 and an entry into the 2003 American Bowling Congress Masters next January at the National Bowling Stadium in Reno, Nev.

Each winner will receive a championship jacket denoting his/her achievement.

Again next year, bowlers will be permitted to enter the team event three times, as long as at least three members change. Bowlers may enter doubles and singles twice, as long as they change doubles partners. A bowler may only cash once in the singles event. As always, the first score in each event will count toward the all events total.

The tournament committee is open to any idea that will make our tournament better. If you have any suggestions, please drop a line to the NCABA office or give us a call. We want to thank all for participating in the tournament and hope to see you again next year.

✓ **Scoring** – There were 293 games of 250 or better, including perfect games by Philip Jones, Jim Colley, Robert Ashley, William Wood, Dennis Maultsby, Kilinia Rhone, and Dennis Sullivan. Ronald Collins and Ira Darden had 299 games, and Jerome Williams tossed a 298. There were 82 sets of 700 or better (including Bobby Hall II's 826 and Jim Colley's 805); 37 team sets of 3,000 or more; 11 team games of 1,100 or more; and five doubles games of 500 or better. A total of 13 bowlers earned Century awards (watches), while 26 received ABC patches for sets of 150 over average.

✓ **Squad Sponsors** – A total of 17 energetic squad sponsors received either a bowling ball of choice (for 12 teams) or a free team entry (eight teams). Ken Larkin put together 16 teams for the tournament.

✓ **Two teams make 7-8-9-10** – At the opening squad, the 7-, 8-, 9-, and 10-pins were set on each lane. The teams had to make the pins one at a time as directed. If a team made it through the original setup, the third bowler in its lineup had to strike. Six teams made it to this final shot, but only two—"Solars" (David S. Larsen, John Soho, Ronald Boswell, Kevin Ribblett, and David J. Larsen) and "Horny Roosters" (Sven Carlson Jr., Randall Spire, Mark Spire, Sven Carlson, and Carl Pedersen)—won the \$250 prize.
