

# NCAUSBCA 2012-2013 Unpaid Bowlers

(as of August 6, 2013 – 4:26 p.m.)

The following individuals, as named, currently appear in the association's database as "unpaid" for the current season. Unpaid bowlers are considered *ineligible players*, and they could cause teams to forfeit games in which they bowl. In addition, they may be subject to suspension for failure to pay dues.

**Bowlers certified this season through another local association (known individuals are noted below with an asterisk \*) must pay local (\$10) and — if certified outside of Virginia — state (\$1) dues in this association.**

If there are any questions, please contact the NCAUSBCA office at [manager@ncausbca.org](mailto:manager@ncausbca.org) or 301/499-1693.
