Jowdy Scholarship deadline extended

Columbia 300 has extended the deadline for the 2013 John Jowdy Scholarship to November 1 to allow students more time to submit their applications.

The John Jowdy Scholarship Fund is awarded annually to a graduating high school senior who is actively involved in the sport of bowling. All interested parties must submit a completed application and required attachments. Award recipients are selected based upon information provided through a complete application form and will be required to forward transcripts upon official notification of award. The amount of the scholarship award is \$500 per year, for up to four years of post-secondary education. The award recipients *must* maintain a 3.0 grade point average (4.0 system) to retain the yearly scholarship.

John Jowdy

The scholarship's namesake, the late John Jowdy, was an institution in the bowling industry at many levels. Inducted into the PBA Hall of Fame in 1988 and the American Bowling Congress Hall of Fame in 2001 for meritorious service to the game, he was an instructor to many PBA champions and hundreds of others, a Columbia 300 sales representative, and a bowling writer. Easily identifiable at PBA Tour sites, he attended more PBA tournaments during his lifetime than all but a few players and PBA staff members. Jowdy, who died August 1 at age 93, was an avid supporter of the scholarship and proud to be involved with it.

Additional information on the scholarship can be found [here](#).

USBC TO CHANGE ADULT HIGH SCORE AWARDS NEXT SEASON

"I paid dues in my summer league" is a statement along with proof of purchase that allowed a bowler to avoid paying for another USBC membership when joining a fall league. This is no longer the case, as all 2012-2013 memberships expired July 31 or at the end of the summer league, whichever came later. Therefore, secretaries are reminded that bowlers will need to purchase a 2013-2014 membership at their first league session.

Starting August 1, 2014, the high score awards given to United States Bowling Congress adult members for a 300 game, 800 series, or 900 series will become once-in-a-lifetime awards. This change comes as part of USBC's strategy to focus resources on national governing body services. As part of the change to the high score awards program, any USBC member who received an award in one of the high score achievement categories as an adult prior to August 1, 2014, will not receive an award for that achievement again. The 11-in-a-row award also will be eliminated as part of the changes. All 300 games and 800 series at the USBC Open and Women's Championships will continue to be recognized and are not considered part of the once-in-a-lifetime policy. Associations still will be required to submit 300 game, 800 series, or 900 series achievements so the bowler's record can be updated with each accomplishment. The 11-in-a-row achievement will not be recognized at the national level effective August 1, 2014. Members who already have received once-in-a-lifetime recognition for a high score will have the ability to purchase additional awards for subsequent high score achievements. Sport Bowling awards will remain unchanged for the 2014-2015 season, with the exception of the elimination of the 11-in-a-row award.

Luis Drakes

PRESIDENT'S MESSAGE • GENE O. MAYS

A new season begins

I have the honor and privilege to have been elected president of the Nation's Capital Area USBC Association and have wrestled with what I would say to the membership of this great organization at the beginning of my administration. My time on the board has given me an opportunity to observe and experience the great leadership of past presidents of this organization. As we embark on our 2013-2014 season, I pledge to continue to lead this organization in a manner commensurate with the duties of this position.

The directors are always willing

and ready to assist the leagues with any problems, and they will continue to encourage leagues to settle as many disputes as possible independently.

I would like to stress the importance of the league president's role to assure that leagues funds are correct. Audits should be conducted at least once during the season to ensure a smooth and error-free, end-of-season payoff.

The paramount concern of this association is that the bowlers have a season that is pleasant, friendly, and financially stable with increased

league membership. In addition, I would encourage bowlers to invite family and friends to come out to cheer them on and enjoy the fun.

In closing, we must actively encourage our youth to stay in school, become involved in other learning activities, and join in youth sports such as bowling. These young people are our future leaders, and it is my hope that we will make them one of our highest priorities.

Items to review

Fall leagues are starting, and several actually began last month. Where did my summer go?

Below are several items to review:

Summer 2013: Reminder that the summer league final averages deadline was September 1 and thus all averages should be in the NCAUSBCA office at this time.

Fall 2013: I hope you attended your league organizational meeting because this meeting is your best chance to adopt league rules that correct situations that caused problems last season. League rules may be changed prior to the start of the schedule by a majority vote; after that, changes to the rules or approved prize list require written consent of every team captain or designated representative. Vacancies in office shall be filled by the board of directors (officers and team captains).

President: Must verify (do the math to determine if the funds on deposit are believable) the league's funds monthly; appoint an audit committee that will do at least one audit no later than one month before prizes are due to be distributed; have a committee produce and get approved a prize list by the fifth week of bowling.

Secretary: Have every member fill out a membership application and collect appropriate fees; submit the league application and cards to the association office within 30 days from the start of the league schedule; submit awards to the association office within 20 days. As a reminder, we cannot process awards until your league has been processed, so please submit the

league application promptly; review the league roster upon receipt to ensure all of your league members are correctly listed.

Certification fees: Still \$21 for standard membership; \$11 for state and local only; \$10 for local only. Membership is good through summer 2014.

Awards: This is the last season that 11-in-a-row awards will be awarded in standard leagues. High score (300, 800) awards now are once-in-a-lifetime achievements in standard leagues; this does not affect Sport or national tournament awards.

Tournaments: Most of the schedule is set, starting with the **Senior Tournament** on October 19-20 and 26-27, 2013 at Parkland Bowl. ... **Mixed Tournament in Support of BVL** occurs November 9-10 and 16-17 at Bowl America Shirley. ... Youth Championship Tournament takes place February 22-23 and March 1-2 at AMF Annandale. ... Open Championship Tournament is at The Lanes Fort Meade (Team), with Singles and Doubles at Bowl America Shirley on March 29-30, and April 5-6 and 12-13. ... Women's Championship Tournament is at Parkland Bowl on June 20-22 and 27-29.

Newsletter: Provided we have your eMail address, you should receive a newsletter periodically; otherwise, visit the association site at ncausbca.org regularly for news and information.

Let us all try to have some fun bowling this season.

Ronald McGregor may be reached via eMail at manager@ncausbca.org.

Hall of Fame to welcome Carr, Kearney, Ryan, Turner, Wiley

“Class of 2013” to be inducted October 5 at Club Meade

Donny Carr was born and raised in this area and has been active in all aspects of bowling since 1966. His enthusiasm and motivation began by watching “Pro Bowlers Tour” every Saturday. Billy Hardwick was one of his favorites and inspired him to be a better bowler. As a youth, he was an AJBC member, and Mr. Warren

Hughes, a coach and mentor, encouraged him every week to do better.

In 1970, Donny became a member of the American Bowling Congress when he joined a mixed league at Brunswick River Bowl in Bethesda, Md. That same year, he teamed with Richard Humes to win the Holiday Doubles Tournament. In 1971, Donny was the Maryland and Washington D.C., Inter-College Bowling Tournament Singles Champion.

A graduate of Montgomery College and the Berkely Educational Training Center who retired from the National Security Agency, Donny has been a youth coach for over 20 years and has bowled over 50 perfect games and numerous 700 and 800 series, with a high of 837 on games of 289-279-269 in 2006 at Rinaldi’s Riverdale Bowl. He currently is the pro shop operator at The Lanes Fort Meade and always is willing to assist bowlers on and off of the lanes to help improve their game and further their appreciation of the sport.

Donny, who has been ranked in the association’s “Top 10,” has been a strong supporter of several association events through the years. The veteran right-hander still competes, placing second in the Singles category and sixth in All Events in the 2012 NCAUSBCA Senior Tournament. Most recently, in the 2013 NCAUSBCA Mixed Scratch Doubles Tournament, he scored 784 and finished fourth with Sherry Spause. He also placed third in Singles.

Donny was a Professional Bowlers Association member from 1989 to 1993, when he took some time off due to an injury before rejoining the organization in 2001. He is among a most elite group of NCAUSBCA members who has won a PBA title, capturing the 2005 PBA South Region Alexandria Senior Open at nearby U.S. Bowling. In

addition, he has qualified seven times for PBA match play competition, including at the 2009 PBA Fort Belvoir Senior Open, when he led all qualifiers with a 241 average.

Donny has many other outstanding accomplishments on the lanes, among them:

- Nation’s Capital Area Bowling Association Scratch Singles Champion, 1980
- Nation’s Capital Area Bowling Association Scratch Singles Champion, 2003
- Virginia State Scratch Singles Champion, 1982
- Virginia State Handicap Singles Champion, 1982
- Virginia State Scratch Doubles Champion, 1982 (with Eddie Blocker)
- Virginia State Handicap Doubles Champion, 1982 (with Eddie Blocker)
- Virginia State Scratch All Events Champion, 1982
- Virginia State Handicap All Events Champion, 1982
- 3rd Annual Civilian Welfare Fund Singles Classic, 3rd place, 1989
- 5th Annual Civilian Welfare Fund Singles Classic, Singles Champion, 1991
- 3rd Place Scratch Singles, Williamsburg, Va., 1993
- Seniors Scratch Classic at Bethesda Naval Bowling Center, 2nd place, 2012
- Living Legends Scratch Classic at The Lanes Fort Meade, 4th place, 2013

Donny Carr’s achievements and sportsmanship, combined with his unending support for the sport he loves, make him an excellent addition to the NCAUSBCA Hall of Fame.

Dena Kearney (“Momma D” as she is affectionately known) was a “late bloomer” to the sport of bowling. She would go to the bowling center with her girlfriend to watch and once was asked to sub. That was the day her love of the sport began and has continued for 35 years. She even got her father and son involved in the sport.

* = DECEASED

Dena has always been interested in numbers, and she would keep her team's record every week. In her second year as a league bowler, she was elected treasurer of the Hilltoppers League at Brunswick River Bowl. That election set her on a path of service and stewardship that few can equal.

Some of her league officer experiences include:

- 2004 to Present – Secretary/Treasurer, Bottom Liners, AMF Capital Plaza
- 2003 to Present – Secretary/Treasurer, Rinaldi's Mixed Five, Rinaldi's Riverdale Bowl
- 2001 to Present; Secretary/Treasurer, Rinaldi's Summer Doubles, Rinaldi's Riverdale Bowl/AMF Capital Plaza
- 1997-2008 – Secretary, RTR Classic, AMF University/Rinaldi's Riverdale Bowl/Fort Meade Bowling Center
- 2001-2002 – Secretary/Treasurer, Evening Shade Mixed Fours, AMF Capital Plaza
- 1986-2001 – Secretary, Curtis Watkins Memorial, AMF-Fair Lanes (AF) University/AMF Capital Plaza
- 1992-1996 – Secretary, RTR Classic, (AF) University
- 1991-1994 – Secretary/Treasurer, Wednesday Mixed Five Summer League, Fair Lanes University
- 1985-1986 – Vice President, Wizzers Mixed (now the Curtis Watkins Memorial), Fair Lanes University
- 1978-1984 – Secretary/Treasurer, Hilltoppers League, Brunswick River Bowl

Her service to the Washington D.C. area bowling community extends far beyond these efforts. Dena has provided years of volunteer administrative support to up-and-coming league officers throughout the NCAUSBCA. Highly regarded for her wealth of knowledge and expertise in the governance of the sport, Dena has advised and mentored many league officers of differing experience levels on the interpretation of rules and bylaws.

In addition to her league officer experience, Dena volunteered her time to the youth by ensuring compliance and accuracy of the weekly league standing sheets for the Youth Bowling League at AMF University and AMF Capital Plaza from 2000-2012. She presently volunteers her time and expertise at local association headquarters with data entry and league award fulfillment.

For more than 12 years, Dena has coordinated trips to various bowling tournaments, including the Virginia State Women's, Ladies East Coast Classic, Fredericksburg (Va.) Women's, and the Hoinke Classic. She ensured that hotel accommodations are arranged and tournament applications are correct and sent in a timely manner.

She recently has taken up the task of providing members from the area the best USBC coaching has to offer, negotiating and coordinating trips to Arlington, Tex., to the International Training and Research Center.

On the lanes, Dena maintained a 180-plus average for over a dozen years and topped 190 for eight years. In

March 2005, she rolled a perfect game and a 744 series at AMF University in a season in which she recorded her highest average, 205. She won the Singles category in the 1991 WDCAWBA City Tournament (A Division) and the 2003 Williamsburg (Va.) Mixed Tournament (Seniors Division). Just last year, she placed third in the "65-70" Women's Singles event of the NCAUSBCA Seniors Tournament.

Dena Kearney's continuous dedication to the sport she loves as well as her unending desire to serve area bowlers make her a splendid and most deserving addition to the NCAUSBCA Hall of Fame.

Dean Ryan, who managed the 36-lane bowling center at Fort Meade from 1996 to 2011, was responsible for his center hosting five PBA East Regional and six PBA Senior East Regional tournaments in our association. For this in part, he received the PBA Pat Patterson Award for Service to the PBA for the 2008-2009 season, specifically recognizing his contributions to the East Regional program.

Dean embraced the "Sport Bowling" concept in 2000 by hosting the first sanctioned "Sport Certified" league in our association. This league continues today and is the area's largest scratch and "Sport Certified" league.

Dean always looked to support youth bowling. He hosted the Maryland State Youth Tournament and ran the first Youth "Sport Certified" league in the area. His support of youth bowling has resulted in the youth program at The Lanes Fort Meade being one of the larger youth leagues in the region.

Dean has a deep commitment to skill enhancement. You would often find him out on the lanes coaching players of all ages and skill levels. He achieved USBC Silver Level and Ritger Level 3 Coaching status and became an IBPSIA (International Bowling Pro Shops and Instructors Association) Certified Pro Shop Technician.

He coached the All-Army Bowling Team for nine years and was named "Coach of the Year" in 2009. In addition, he served as a trainer and mentor for the Army's Bowling Manager Intern Program.

Dean operated the Fort Meade Pro Shop for 15 years. As a business manager, he received many awards, including being a two-time Excellence in Management Recipient (1998 and 2000), and he was cited by the Disney Institute for Excellence in producing Gross Dollars Per Square Foot for the year 2000.

He hosted the NSA Civilian Welfare Tournament for 11 years as well as a BVL Kickoff Tournament. He is a co-founder of the Fort Meade Lanes to Links Tournament and hosted the bowling portion for nine years.

Dean served on many boards, including the Bowling Proprietors' Association of America (BPAA) Military Liaison Committee (12 years) and the Maryland Tenpin Bowling Council (five years) in addition to being vice president of the Maryland State BPAA for four years.

A bowler for over a half century and a PBA member for 13 years, he has recorded two perfect games and has an 800 series to his credit.

No manager in this area has demonstrated the support for the PBA and Sport Bowling as has Dean Ryan. He is a superb addition to the NCAUSBCA Hall of Fame.

Gregory L. Turner continues to excel as an extremely proficient scratch bowler and as a role model for the next generation in our sport. Gregory began his love affair with bowling in 1981 by joining the PEPCO (Potomac Electric Power Company) League at Bowl America Silver Hill. Believing in the importance of learning the

fundamentals of the sport, he studied Marshall Holman's instructional video and read Earl Anthony's book, *Learning to Bowl*. He cites Gary Parsons as a valued source who contributed to his continuing education about the game and credits "Guru" with teaching him how to drill his own equipment.

Gregory rolled his first 300 game at Bowl America Kent as a member of the Thursday Mixed Doubles League in 1990. Since that time, he has scored over 50 perfect games, including four during the 2012-2013 season—two at Parkland, and one each at Crofton and AMF Capital Plaza. He rolled his first 800 series in 1995 as a member of the Eastern Majors Mixed Travel League at Greenway Bowl. He has repeated that accomplishment 11 more times, including one last season at AMF Laurel.

In addition to his superior league accomplishments, Gregory has cashed in a number of PBA regionals. He also has won numerous local senior tournaments and a few regular tournaments as well. He won the John Vargo Classic in New Jersey in 1997 and set a two-game scoring record of 598 (298, 300) the following year at the High Roller in Las Vegas. Last season, he twice won the 50 Over/Under Doubles Tournament with Chris Johnson in Chambersburg, Pa.

In this year's NCAUSBCA 68th Annual Open Champi-

onship Tournament, his "Dream Team" finished fourth in Scratch Team, he was runner-up in Scratch Doubles with Ernest Spriggs and placed seventh in both Scratch Singles and Scratch All Events.

While Gregory has achieved a great deal of success individually as a bowler, he also has served as a true ambassador of the sport. He is the consummate team player and well-liked by his peers. He often is referred to as a "legend in his own time" and serves as a mentor for many younger bowlers. Even though he has had great success, he remains a student of the game, constantly seeking ways to improve and sharing that information with others. In recognition of his expertise and wealth of knowledge, he is a valued resource and is frequently consulted by others for his advice on equipment, technique, etc.

Since 2005, he's been a Hammer amateur staff member, promoting Hammer products in the Greater Washington metropolitan area as well as throughout the country.

Gregory L. Turner's unselfish dedication to the sport of bowling, his enthusiasm, knowledge, and subject matter expertise as well as his stellar individual career bring great credit upon himself and the association and make him a most qualified addition to the NCAUSBCA Hall of Fame.

Terry "T" Wiley began bowling at the age of 12 in youth leagues throughout the Washington, D.C. area. At age 14, he teamed with his Dad, Walter Wiley, in the BPAA Family Tournament and won their division. This qualified them for the State Finals in Staunton, Virginia, where father and son won the State Title. This title

earned them a spot in the BPAA Family National Finals held at Bowl America Shirley. They did not go on to win that title, but it was a great accomplishment for a youth bowler.

Terry continued to excel in youth bowling, winning three Junior Virginia Masters titles, a Princess Anne Doubles championship with partner Steve Hill, as well as earning a second-place finish in the Vir-Mar District Invitational Tournament.

Terry moved from the youth leagues into adult leagues where he has had numerous accomplishments, including:

- PBA Regional Title, York, Pa. (2009)
- Cashed in 10 of 13 PBA regional events (2009)
- Qualified for the PBA Regional Players Invitational (RPI) after finishing fifth in regional points (2009)
- Finished 35th in a field of 90 players at the RPI in Reno (2009)

ASK BOB • BOB KORTH

Helping seniors, ball weight & scoring, controlling hook with targeting

Q. I have been asked to help with a senior bowling class. Do you have any hints on helping seniors?

A. Being a senior myself, I have some ideas on the subject, as I have instructed seniors from time to time. First, you have to remember with seniors you must ask them about any physical conditions such as arthritis or joint replacement or knees or hips that really can affect the things they might be able to do. You have to work with what they have physically.

I just coached a group of six ladies aged 77 to 83 who had slow speed and not much fluidity. I mostly had them work on keeping their eyes on the target until the ball rolls through it to help with accuracy. Then we

worked on the proper place to line up for spares.

With most seniors, to get the best out of their game, helping with the alignment for spares will get them the most improvement. Checking the ball for weight and drilling will be the next thing to look at. Many are using the wrong weight ball, and spans and pitches need correction.

For you seniors out there that may have problems with sore fingers and wrists and hands, go to your local pro shop and get your ball checked both for weight and for drilling. Bowling is supposed to be fun, not torture.

Lessons are also good for you to be able to get the most out of your physical game no matter what problems you may have. When there's a will, there's a way.

Q. I am just starting to bowl again after a five-year layoff. I have always used a 15-pound ball and quit because of a sore wrist. I am thinking about going down to a 14-pound ball. Do you think the lower weight will hurt my scoring?

A. I doubt your scores will go down much; the bowling balls today are very powerful. You might notice a few weight-related 10-pins, but the lower weight should take some pressure off the wrist.

So bowling pain-free and with more control, plus some added speed, should make up any difference for the occasional extra 10 you might leave.

Q. When I bowl, I target at the second arrow or close to that. I have heard that looking down the lane will keep the ball from hooking early. Is this true?

A. Targeting down the lane can help early hook. Sometimes, though, you might want the ball to hook a little earlier.

What I do when warming up for league or tournament is start by targeting about 10 feet past the arrows. Pick a dark or light board on the line you want to use, say the 10-board or second arrow. If the ball goes high, look further down toward the pins, say 40-to-45 feet.

Some lanes have tracer marks down there; if they do, target there. If the ball goes light and you think you need earlier roll, target at the arrows.

My name for this is the "3-Spot System"—arrows, mid-lane area, or 40-to-45 foot area or tracer-board area. This works great for small lane adjustments when a larger move is not called for.

Terry continued to pursue his bowling by joining the PBA as a member from 1986-1990 and rejoining in 2008, where he has cashed twice in PBA national tournaments and has multiple "Top 16" finishes in PBA regional events. He has competed in 23 ABC/USBC National tournaments with a composite average of over 200.

Over the past seven years in the NCAUSBCA Open Championship Tournament, Terry has demonstrated excellence on the lanes by recording successive nine-game All Events totals of 2,096 (2007), 2,025 (2008), 2,118 (2009), 2,060 (2010), 1,928 (2011), 1,981 (2012), and 2,011 (2013) for an average of 225.7 for 63 games – very likely the highest Open Tournament composite average by any member since the creation of NCAUSBCA. Terry's teams are always competitive each year, and his "Wiley's Coyotes I" lineup took top honors in the 2008 Scratch Team category.

He continues to bowl in area leagues, including the First Niters Mixed at Bowl America Falls Church and the Stan Soaper Commercial at Bowl America Shirley.

Terry "T" Wiley is an accomplished bowler with a wealth of knowledge that he will gladly share with fellow bowlers or anyone who approaches him. He is an outstanding addition to the NCAUSBCA Hall of Fame.
