## "Bowling Achievement" Hall of Fame candidates must have Championship Tournament participation

The NCAUSBCA Board of Directors recently passed a proposal that requires individuals nominated for the association's Hall of Fame in the "Bowling Achievement" category to have participated in a minimum of three (3) of the past five (5) championship events — the Open Championship Tournament for men and the Women's Championship Tournament for women.

For current non-member Bowling Achievement nominees, NCAUSBCA Championship Tournament participation in their last five seasons as an NCAUSBCA member (if applicable) will be considered.

In addition to Hall of Fame members being given perpetual honor and recognition in Nation's Capital Area bowling circles (as well as the International Bowling Museum & Hall of Fame in Arlington, Texas), NCAUSBCA goes all out, spending literally hundreds of dollars for a jacket, ring, certificates, etc., for each new inductee as part of its induction procedure.

Therefore, the board voted that all Bowling Achievement nominees should, at the very least, demonstrate support for the inducting organization by participation in its Championship Tournament.
